Shareholder meetings of the foreign listed companies and Varma's voting 2021

When voting in foreign shareholder meetings, Varma complies its share ownership policy. Important premises of Varma's share ownership policy are equality of the shareholders, transparency and responsibility. We require that our investee companies comply with international norms and agreements in their operations. The most important of these are the UN declarations on human rights, the environment and anti-corruption, which form the basis for the UN Global Compact initiative on corporate responsibility, as well as the ILO labour conventions. In addition, Varma supports shareholders' proposals for more transparent ESG reporting and the promotion of and adaptation to climate change mitigation.

Between 1 January and 19 May 2021, Varma has voted in 93 foreign shareholder meetings.
